To be part of this team you must follow the rules below:

- 1 time in ISS you will not play in next game.
- 2nd time in ISS you will no longer be on the team.
- Miss practice the day before a game you will not play in the game (however you must sit with the team and support your teammates throughout the game).
- Unexcused lateness is unacceptable! You will run a couple extra sprints after practice and you will not start in the next game.
- If I hear from a teacher that you have a behavior problem you will do some extra running drills, the second time I hear something you will miss the next game the third time I hear of a problem you will no longer be on the team. If I hear from a teacher that you have a academic problem, you will need to go get help after school (School is more important and that needs to be addressed)
- If you are absent from school, do not come to practice or the game (if game day) because you will not be participating. (if you are too sick to come to school than you are too sick to play).
- The third time you miss a practice, you will no longer be on the team.
- The second time you miss a game, you will no longer be on the team.
- There is no guarantee on playing time.
